## Club news..... From your Publications Director

The board is on a hunting hiatus until November! However I wanted to publish a short newsletter with some bits of information for you.

We have one last tournament coming up out at the range on Saturday September 21. I have put the information on the next page.

We also are still doing archery lessons at the range until the end of September if the weather holds. That info is also on the next page.

We have a member with a bow for sale and you will see that listed in the for sale items.

Archer's Afield has some classes and a winter league starting up as well, more info on the next page.

We know we have some yellow Jacket issues at the range and have been working on taking care of that issue as well.

That is all the news I have and please send us anything

that is interesting that you think is news worthy or if you have some archery items for sale, let me know and I will get it in our next newsletter for October!

Happy Hunting and I will look forward to getting some pictures of the big kills this season, so that we may put it in our Tall Tails section!

Cheers to the sunshine!
