President's news.....by Dave Osler

Well, the weather did not cooperate for our second open house, but we still had fun! We ended up with 8 new individual members, 3 families and 6 people renewed that weekend! We handed out a lot of membership forms and several people stopped out to visit, so we hope to see them return as members.

Many of you know we have our broad head league starting up in June. We are going to try something new this year and I wanted to address how this is going to work.

We are going to allow a separate group of shooters who want to shoot marked yardage. These archers will be shooting with their own group and starting on different targets than the unmarked shooters. They will be competing in the same style of classes, but they will be competing in their own group of marked yardage shooters. They will be able

to use range finders or they can use the score card that will have the yardage marked for them. Their cards will be a different color as to not get them mixed up with the unmarked shooters. This will in no way interfere with the league for the unmarked shooters.

Please see the broad head rules on the website for more information on how the broadhead league works.

We are also having our 3D open house in June so check out our website for more information and remember you can earn a discount on your membership for volunteering or if you are a new member you can get a discount for joining at one of our events.

We have also been working on replacing targets on the roving range. We will be ordering some new targets and working on fixing the existing ones. So be patient, soon you will have a nice,

updated roving range to shoot!

Speaking of 3D, we had several members shoot at the Marked 3D championships in Redding a couple of weeks ago. We Congratulate one of our board members and our youth director Brandon Tenner for placing 1st in his class! Did you know he is training for the Olympics? Nice work Brandon.

Have a great beginning of summer and hope to see you at the range!

Dave Osler,
President

It's all about Targets!.....

We had our first Practice target tournament of the year Saturday the 17th of May. It was a 600 round out at the range. We had 28 shooters participating. It was a great time had by all. Pictures are posted up on our Facebook page and a few are posted here in the newsletter as well.

We will be hosting another practice tournament on Sunday June 15th at the range. This one will be a 900 round, So bring your dads and spend a day at the range showing off your archery skills for your dad!

Registration: Noon

Official Start: 1 PM

See the flyer on the website for more information, this is another tournament we have added, so it is not on the shoot brochure.

Thanks Brandon for organizing and running the tournament!

Thanks for the support from Archers Afield.....

We want to thank Archer's Afield for again, bringing out their mobile archery shop! We appreciate all their support! They had some fun games and prizes and everyone had a great time, even in the rain!

They are hosting an indoor, NW Youth Championships June 7th at their indoor range. Contact the shop or visit the website for more details.

Visit their website at www.archersafield.com for more information on what is going on at Archers Afield and also to see where the mobile unit will be showing up next!

Just for youth.....with Brandon Tenner

The summer instruction program begins Mondays and Thursdays June 16th-August 28th. It is open to the public and free to members, non-members pay \$5.00 and if you need equipment \$2.00 fee to use Sylvan's equipment.

Mondays: 6-7:30 PM: Beginner Class, equipment available to use.

Thursdays: 6-7:30 PM: Intermediate and better, bring your own equipment.

Please visit the website for the flyer and more details.

We had several youth attend the Redding Marked 3D championships. Check out our Facebook page for scores and pictures.

Rebecca Bakken, Ben Kaufman from Sylvan JOAD and Andrew Kempter, Angelica Cuvin and Brandon Tenner will be going to the SoCal Showdown June 18-23

The JOAD 1st quarter mail-in results came in. The Sylvan Archers did great for their first time participating. This tournament was a 30 arrow indoor round. Here are the results:

JOAD Female Cadet Barebow
Skylar Atkinson - 1st place

JOAD Male Cub Recurve
Ben Kaufman - 5th place
Benjamin Rabaud - 13th place

JOAD Female Cub Recurve
Rebecca Bakken - 5th place

JOAD Male Bowmen Compound
Matthew Williams - 10th place

The 2nd quarter mail-in will be an outdoor round and has to be done by June 30th.

The Sylvan shooting date is TBD.

Community Service.....

On Monday May 19th board Sylvan Archers members Kim Bishop and Laurie Robinson hosted a member's girl scout troop out at the range so they could earn their archery patch. Most of the girls had not shot before, so they were given basic lessons on safety and shooting by Laurie and then they spent the rest of their time perfecting their shots and we even had a small competition at the end.

These types of events are what we as a club do to support archery and getting the youth involved in this sport. Thank you Kim and Laurie for your time and support of the girl scouts!

3D updates with Brent Whittaker and Dave Osler.....

We will be having our 3D open house on June 21-22. Please see our shoot brochure on the website for more details.

Total of 60 3D targets per day.

Time: 8AM-3PM on June 21

8AM-1PM on June 22

VOLUNTEERS NEEDED:

We could use at least 5 volunteers to help set up on Friday from 8-noon or longer if need be. You can commit to as long as you can help. This is a big shoot and we could really use the help for set up. We could also use help with tear down each day.

We will have the cook shack open and could use 2 people per shift on Saturday and Sunday to help take money and serve.

7:30AM-11AM and 11AM-3PM.

Please contact Dave Osler :dosler2@yahoo.com

Brent Whittaker: brent.whittaker.3d@gmail.com

if you can help out that weekend with set up or tear down or in the kitchen

BROADHEAD LEAGE.....

Starts Wednesday June 11-August 13th at 6:30 PM

Same rules for competition as before, but we are adding a marked yardage group. This group will shoot together and will be able to use range finders or a marked score card that will be a different color as well as they can shoot broadheads or field tips. They will not be mixed in with the unmarked shooters unless they allow it, since we know many groups shoot as a family or friends. This is and always has been on the honor system for competition and scoring. We as a club have grown and we support all classes of archery.

We have many archers that enjoy shooting 3D, but do not have a way to compete since they are using field tips or broadheads and a range finder. This is something new we are trying, so we shall see how this goes. The marked shooters will be competing in their own groups on the targets and will compete in their own class and amongst the unmarked archers for prizes.

We can use the help setting up Wednesday afternoon and tearing down after.

Check out the shoot brochure for more information or go to our website.

Girl Scout outing.....

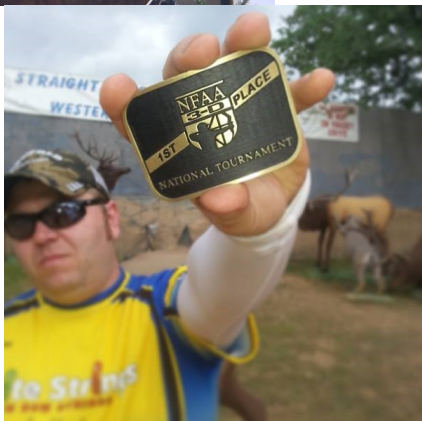

Tall Tails from the hunt.....

Michael Pestilli at Redding: 9th place AMFS with 18 down.

Ben Kaufman: 1st

Brandon: 1st

Spring 600 at Sylvan.....Just a few, more on Facebook!
