

## Sylvan Archers Newsletter for May 2017!

VOLUME 1 ISSUE 3

MAY 2017

Next board meeting is May 4th at the Sylvan Range Clubhouse 7 PM

### President's News.....Kim Bishop

Well Spring has sprung and we have been busy getting ready at the range for the summer season!

We have some exciting things going on. We have submitted for a grant from ODFW to cover our practice range! We are excited about getting help paying to cover the practice range. We submitted this in March and it takes some time to find out, so we hope to find out in the next few month if we won or not. If not we still plan on going forward with the plans. A huge thank you to David Linton and Dave Robinson, two of our club members for engineering an drawing up the designs for us. It saved us a lot of money and we truly do appreciate it. So tell them thanks, next time you see them at the range!

Broad head League starts in June and we are getting ready for that, as that is one of the signature events for the club.

We have the Sherwood Nottingham shoot coming up in July so look for the information on registration for that coming soon.

And our community lessons will be starting up as well.

We had an audit of our funds by the board of trustees and were found to have everything in order and not problems were found. Thank you to our Trustees, Becky Jackson ,Al Stover and Cliff Robinson, for conducting the audit. We also have a couple of trustee position open as well, so if interested let us know!

We have closed the B1 course so that we can tear down and build the covered sheds over the bales.

The king of the hill is in full swing, check our Facebook page or the website for more information.

We also have election for Board positions open for nominations, information is listed in the newsletter. Check out the duties of the positions, it is a fun job and we work with great people, so consider doing a term on the board to help make your club the best it can be!

Respectfully Submitted,

Kim Bishop, Club President

## It's all about Targets!.....

### **FITA Field One Day practice Tournament at Sylvan:**

Sunday, May 28, is an opportunity to shoot the FITA field format in a one-day practice tournament at Sylvan. Cost is \$10 to \$15. The following weekend, USA Archery is holding its FITA field nationals in Darrington, Wash., so at least a couple of out-of-staters will be using the Sylvan tournament as a tune-up. (Registration is open for nationals, or you can pay less and shoot the same course as a guest in the concurrent Washington state FITA field.) Bow classes for awards are limited to compound, Olympic style recurve and barebow (no compound barebow). The Sylvan practice tournament will be unmarked distances (nationals is unmarked the first day) but you can shoot it for fun with a rangefinder if you don't want to practice unmarked. For unmarked, max distance for barebow is 45 meters, and 55 meters for compound and Olympic recurve. For more info, or to preregister, contact Laurie at [archer.laur@gmail.com](mailto:archer.laur@gmail.com).

### **King of the Hill Recurve Contest**

The Recurve King of the Hill Tournament is in full swing. 19 recurve archers competed on March 25th in a double Vegas Indoor Qualification Round. The top 10 archers received ranking quiver tags. Now archers are competing in head-to-head matches to improve their rankings. Competition will continue until the End of Summer 900 Tournament in September, at which time we will crown the 2017 Recurve King (or queen) of the Hill. All recurve shooters are encouraged to join in. The cost is a 1 time fee of \$15. Unranked archers can challenge rankings 6-10 to earn a quiver tag. Full rules and running results can be found here: <https://www.facebook.com/events/422921841386903/>. Contact Brandon Tenner at [oregonyoutharchery@gmail.com](mailto:oregonyoutharchery@gmail.com) if you have any questions or if you want to challenge someone.

**Sherwood vs Nottingham Shoot July 5 & 6, see [www.sylvanarchers.org](http://www.sylvanarchers.org) for more info.**

**Spring Open House May 13th at the range! Come check out the range and bring guest or prospective members for Free!**

## Good luck with the Turkey Season!

## Board Position Nominations open!

According to our constitution, nomination are open for board positions starting now and will remain open until the June Meeting. Voting will commence at the July meeting and the new board will take affect on the August meeting.

Several of the board members would like to continue on in their roll, however it is our duty to open all positions up to all members. The duties and responsibilities are attached to the email for this newsletter.

If you are interested in being on the board in any capacity, please contact a current board member and let us know of your wish to be nominated

or just to know more about it.

We have monthly meetings that last about an hour or longer if we have a lot to go over. We usually meet at the range in the summer and at Cabela's over the winter.

We have fun and work hard and are always looking for more member input and help.
