

Sylvan Archers Newsletter for August 2017!

VOLUME 1 ISSUE 9

AUGUST 2017

Next board meeting is Nov. 2 at site TBD 7 PM

President's News.....Kim Bishop

Summer is winding down and hunting season is upon us. The board has been busy all summer and we are taking the next two months off so that we can enjoy the fall and the hunt!

There are a few things we want to address in the newsletter. First of all we have had elections and you can go to our website and see any updates. Pretty much everyone stayed on board, but we still do have some open positions. So if you are interested let us know. Karl has stepped up to take on the Range Director position as we bid Jack Rutz good bye as he will be heading off to his central Oregon property in the future!

We know we are having issues with membership and cards not working etc. We have been working to get those issues resolved. One issue is with the weather, it is causing problems with the gate when it gets too hot. The other issue is with the cards themselves and the out of order sequencing that was sent to us. We have been working with the card company to get that fixed, but some of the new member cards were not working. Please contact a board member if you are having issues and we can give you the monthly code.

We also have been working on a new process for renewals and new member enrollments. As a reminder a list is posted in the club house with your name on it and when you are up for renewal. We are working on doing some sort of reminders, but ultimately it is up to you to get your renewal in.

We have had some Broad heads being shot on the courses as well as on the practice range. This is in direct violation of our club rules. Unless you are a part of Broad head league or in the Broad head pit, there are no Broad heads allowed on the range. If caught your club privileges will be revoked. We do have cameras around the club so we are working on identifying the person or people who are doing this.

We had a great turnout for Nottingham and we took the silver bowl again this year! So Congratulations to the winning teams! Check out our Facebook page for results!

Respectfully Submitted,

Kim Bishop, MS

Club President
